

Personal Advisor for Children's Social Care & Early Help came to help us get our questions answered about Educational Health and Care Plans

We have met with Health professionals to talk about the differences in care we can have as we are getting older

Leicestershire Police Hate Crime Officer came to talk to us about what Hate Crime is and we played the Sophie Game

We have spoken to the Arriva bus company. To talk to them about using bus passes and how we can be safer on the buses

We are working with the Y and their flat 108 to promote independence

We have met with councillors to promote what we do, to find out what they do and how

We have been working with graduated and apprentices to develop our website

We have commented on how we think the city council should spend its money and the services they should protect
